

# Andrew and Pamela Dudgeon

## **What organisation do we work with?**

AsiaLink

## **Where?**

Fourteen countries in Asia.

## **What do we do?**

The Mission's focus is on Asia's unreached peoples. We work with indigenous believers endeavouring to make Christ known in some tough places. Pamela works in the AsiaLink head office. Her role is to oversee the finances. Andrew sets up the partnerships and projects in the various countries in which we serve.
